**Centre for Multi-disciplinary Development Research (CMDR)**  
**Dharwad – Karnataka**

Centre for Multi-disciplinary Development Research (CMDR), Dharwad – Karnataka is one of the national level social science research Institute funded by Indian Council of Social Science Research (ICSSR), Ministry of Education, Govt. of India and Government of Karnataka, Bengaluru

The aims and objectives of the Centre include conducting research on developmental issues that are relevant at regional, national, and global levels. The approach of analysis is usually a multi-disciplinary framework, covering social, economic, political, and cultural dimensions of human behaviour. The Centre is also known for its action research. In addition, there is an attempt to judiciously combine theoretical perspectives and empirical realities in the analysis of developmental issues.

CMDR caters to the needs of policy planners, academia, legislators, non-governmental organizations, researchers, research organizations, dissemination of knowledge through research publications, collaborating in research, imparting research training, assisting and advising through policy research and evaluation studies.

The Centre for Multi-disciplinary Development Research (CMDR) has been functioning since 1976 as an autonomous non-profit research organization.

Manuscripts, subscriptions and other correspondence should be addressed to:

#### The Editor

CMDR Journal of Social Research

Centre for Multi-disciplinary Development Research (CMDR), Dharwad - 580004

Email: editor@cmdr.ac.in Website: www.cmdr.ac.in

The views expressed in all the contributions which appear in the journal are those of the individual authors and are not to be taken representing the views for the Editor or of CMDR Journal of Social Research.

#### Manuscript Submission

CMDR Journal of Social Research welcomes research papers for dissemination of original research, analytical papers, and papers based on literature review on any aspects of social sciences. Research papers should be submitted electronically to the Editor, CMDRJSR at editor@cmdr.ac.in.

#### Review System

Every research paper will be reviewed by masked reviewers. The Editor reserves the right to reject any manuscript as unsuitable for publication, keeping in view the required level of logical argument, the topic of relevance and citation style of the submitted paper without requesting for external review.

#### Basic Format of the Manuscript

Contributors must include their affiliations, and postal and e-mail address with their papers and book reviews. Research papers should be written in MS word (1.5 spaced) format ranging between 4000 to 5000 words. It must be accompanied by an abstract of 100 words and necessary keywords. CMDRJSR accepts reviews of scholarly books on social sciences (1500-2000 words).

#### Spellings and Numerical Usages

Use British spellings in all cases instead of American spellings (hence 'programme' not 'program', 'labour' not 'labor'). Use 's' spelling instead of 'z' spelling (hence 'organise' not 'organize'). Use figures to express all numbers 10 and above. Spell out numbers lower than 10, however for exact measurement, use only figures (3 km, 9 percent not%).

#### Quotation, Notes, Tables, and Figures

Use a single quote throughout. Double quotes are only to be used within single quotes. Spellings of words in quotations should not be changed. Quotations of 45 words or more should be indented from the text. CMDRJSR uses endnotes in the place of footnotes. Endnotes should be numbered serially and presented at the end of the paper. We advocate minimum usage of tables and figures. However, all the tables and figures should be numbered and their sources should be mentioned clearly below the tables and figures.

#### In-text Citations (As per APA, 7th Edition)
